Choice of 20 different styles

mounted back combs

None worth less than 49c and up to 98c

While they last---25c each

Unquestionably the greatest values in Back Combs we have ever had. The makers in putting out new styles sacrificed all of last season's designs. We took all we could get at this price.

To make the sale still more interesting we take the following goods from our own stock and cut prices:

HAIRPINS—Of horn, 1/2 doz. in box. Regular 25c. Only so long as the Back Combs last at 1/2 doz.	10c	COMBS—Lot of Plain Shell and Amber-colored Side and Back Combs, 19c and 25c kinds, assorted styles. Choice.....	10c

First Floor—Notion Section.

We took all the maker had!

\$1 to \$2 scarfs and shams, 65c

Choice of many kinds—and all are very pretty. The maker gave us a very low price, because we took all he had in stock.

These are real dainty Spangled Scarfs and Shams in many colors, and all show plainly that they are higher priced goods. Then there are 100 Swiss Scarfs and Shams with raised braid designs. For fall fixing-up time you'll want new scarfs and shams. These will prove very decorative, and you can see how much money can be saved—the difference between \$1.00 to \$2.00 and 65c—the ruling price Monday.

BLACK SILK STRAIGHT-EDGE BRAIDS

for trimming smart tailored suits.

Look at the Tailored Suits displayed, and those that show fashion's latest caprice are elaborately braided. These silk braids are used to form the very fashionable military effect, also to bind suits.

We show a very pretentious line of Black Silk Straight-edge Braids, and as evidence of how well these appeal to modish dressmakers one purchased over a hundred dollars' worth of just such braids last week! There are in Persian designs, showing soutache, basket, corded and Persian Lamb effects—and they are shown here only.

Widths vary 1/4 to 3 inches—and prices are.....

HANGING ORNAMENTS, in black and white, tassels and ball effects in different lengths. These are very scarce about town, and OURS IS THE MOST COMPLETE DISPLAY in the city. Used extensively to finish off sleeves or for the strap trimming.

Beautiful "sample" hats

Trimmed hats, worth from \$2.98 to \$6.98, \$1.98

Trimmed hats, worth from \$6.98 to \$10.00, \$3.98

We consider this one of the best streaks of luck we have had, and we think you will rejoice with us when you see the Hats we are offering at these astonishingly low prices. A manufacturer had these on hand, didn't need them for samples longer. He gave us the option on them. We knew this was a golden opportunity not to let slip, and snapped it up. The labor alone is worth the prices asked.

The \$1.98 lot	Consists of about 300 Hats, pretty turban and toque shapes; hats suitable for middle-aged or for young women, made of velvet, silk or fancy braid effects. All made of extra heavy material. In this lot were made up to sell for not less than \$2.98, and many for as much as \$6.98. —Millinery Department.	The \$3.98 lot	—240 really splendid Hats, of velvet, French felt, silk taffeta. Hats are trimmed with feathers, wings and other fluffy styles, and in all the new light shades; also black, brown and purple hats. Not one in the lot worth less than \$6.98, and a great many worth as high as \$10.00. This is a chance you will regret if you miss it.
